● The conference is an international forum for the presentation of technological advances and research results in the fields of Energy Science and Environment Engineering. The conference will bring together leading researchers, engineers and scientists in the domain of interest from around the world. We warmly welcome previous and prospected authors submit your new research papers to AESEE 2018, and share the valuable experiences with the scientist and scholars around the world.

● Publication

Papers submitted to AESEE 2018 will be reviewed by technical committees of the conference. All accepted and registered papers will be published in [American Institute of Physics \(AIP Conference Proceedings, ISSN: 0094-243X | E-ISSN: 1551-7616\)](#). And all papers will be submitted to [CPCI, CNKI, Scopus \(Elsevier\)](#) and many other major databases.
